Certificate of analysis (shipping notification)

Page 1 of 1

Order no./Ref.	U-TC-128-20		
Delivery note	80271616	Shipping date	05.03.2021
Means of transport			
Railway Car Number			
Seal Number			
Product	85380 SC STD / 1A1-216L (verzinkt) Sulfuryl chloride		
Customer Article No.			
Quantity	3,000.000 KG	Item	000010
Lot no.	80012IA100	Analysis no.	20-121663
Manufacturing date	01.01.2021		
Methods of analysis	av-80012-v05	Specifications	sp-80012-v03
Remark			

<u>Tests</u>	<u>Specifications</u>	<u>Results</u>	<u>Units</u>
Sulfuryl chloride	min. 99,5	99,8	w/w-%
Free chlorine	max. 0,10	0,01	w/w-%
Free sulfur dioxide	max. 0,40	< 0,01	w/w-%
Characteristics	colourless to yellow liquid	pale yellow liquid	-

Analytical release: Conform to the specifications

Date of analysis	06.01.2021
Date of release	06.01.2021
Released by	QC, B. Katrinski
Recommended retest date	01.01.2022

Above mentioned information is the result of our quality testing. It does not dispense the buyer from a control on receipt of the goods and does not have the meaning to guarantee that the product serves to a concrete purpose. This certificate is unsigned, because it was made and forwarded on electronical way.
